VALE

TERRY CARTWRIGHT

Terry's passing was so sudden and such a shock to everyone! How could our Terry be gone? On the day of his death Terry judged Toys & Non-Sporting groups out west at Peak Hill P A & H Show. Just a few days before we had learned that it was to be Terry's last judging appointment. But no-one except Terry knew how much of a strain it was. His last day on earth and he wasn't going to miss a lifelong love – dogs and dog shows. Our heartfelt condolences to Gwen, his wife and best friend of 55 years. To daughter Samantha who has been a large part of their Topette kennel of French Bulldogs and to the whole Cartwright family, we are all so sorry for your loss.

Terry Cartwright was from the UK and coming from Manchester one of his other passions was football and Manchester United of course! It was a fitting farewell at his funeral with the Manchester United team song played at the end of the service. This brought a smile to everyone on an otherwise sad occasion.

Between 1945 and 1970 the Australian Government's Immigration Policy sought migrants from England and Europe. With little work in the UK at the time, Terry and Gwen saw an opportunity and were amongst the first families to fly to Australia when they emigrated here in 1968. Prior to that people came by sea. As a skilled painter and decorator Terry quickly got to work and eventually set up his own business. Anyone who has seen his work would know what a fine craftsman he was.

Terry & Gwen were founding members of The French Bulldog Club of NSW. 1983 was the year when the club was formed and both Terry & Gwen have been members ever since. Now with Terry gone Gwen is the only living founder member of the club. Both have dedicated a large part of their lives to French Bulldogs and to the club. Indeed, Terry was the club president for 20 consecutive years. He was made a life member when he retired from the position. Once taking a step back from committee

duties, Terry and Gwen became the club patrons and have stood at the helm for many years.

Topette Frenchies during the 80s & 90s were amongst the leading kennels in Australia with many champions and club championship wins. Their foundation bitch was Ch Kama Petite Eva who went Best in Show at the club's inaugural championship show. Evita (as she was known) was by Ch Sovereign of Selholme (Imp UK) x Ch Kama Petite Odette and was born on 29.3.1984. Evita produced two litters, the first by Ch Apocodeodar His Lordship of Tenafly, produced the beautiful brindle bitch Ch Topette Bubbles. Bubbles we learned was Terry's favourite Frenchie. Evita's second litter to Ch Tenafly Sheer Gold (Imp UK) produced 3 champions, Ch Topette Bonzo Bob, Ch Topette Casna and Ch Topette Krystal Image. Many more champions followed from these early Topette Frenchies.

Some fun memories from those times were sharing barbeques at dog shows, the champagne flowing and everyone supporting one another. Terry was always there encouraging Gwen, Samantha and Angela who handled the dogs in the show ring.

Terry's ambitions and interests led him to judging. He became a Non-Sporting & Toy judge and enjoyed a successful career judging in all states of Australia and both islands of New Zealand. Possibly the highlight in his judging career was to judge the 19th Exposition Nationale d'élevage for Club du Bouledogue Francais, France 2007.

Terry Cartwright will be remembered as a real character and gentleman with a great sense of humour. He will be sorely missed by his friends both here in Australia and all over the world. Thanks for all you have done for the breed and for our club. Rest in Peace now Terry – you done good.

Liz Davidson

Introducing Our Judge – Lori Hunt DVM (USA) – Assisi French Bulldogs

My obsession with frenchies began in 1999 with my first frenchie girl, Alyce. Her breeders wanted her to be shown and so I thought I would give it a try... the rest is, as they say, history!

Since 1999, I have had a carefully planned breeding program, and I am currently on my 8th generation of Assisi French Bulldogs. I pride myself on the type AND health of my frenchies. Being a veterinarian, health and temperament are a huge priority to me. All dogs used in my breeding program are thoroughly screened through the Orthopedic Foundation for Animals. In limited breeding, I have bred and/or owned over 30 American champions. Many dogs I've bred are competing in agility and obedience, as well as other performance venues.

My love of this breed and dedication to its soundness and future generations naturally lead me to an interest in judging my beloved breed. I have been privileged to judge many frenchie sweepstakes, the FBDCA's Breeders Class at the 2010 National Specialty, the FBDCA's Top Twenty competition in 2011, the FBDCA's National Specialty Sweepstakes in 2016, and many prestigious french bulldog specialties. I am honoured, privileged and feel a great responsibility to do only good for the breed by judging dogs, fair and honestly.

Reserve Challenge Dog9.....

Breed Standard – French Bulldog (last updated 2 December 2015)

General Appearance: Sturdy, compact, solid, small dog with good bone, short, smooth coat. No point exaggerated, balance essential. Dogs showing respiratory distress highly undesirable.

Characteristics: Full of courage, yet with clown-like qualities. Bat ears and short tail characteristic features of the breed.

Temperament: Vivacious, deeply affectionate, intelligent.

Head and Skull: Head square in appearance and in proportion to dog's size. Skull nearly flat between ears, domed forehead. The skin covering the skull and forehead should be supple enough to allow fine wrinkling when the dog is alert. Well defined muzzle, broad, deep and set back, muscles of cheeks well developed. Stop well defined. Lower jaw deep, square, broad, slightly undershot and turned up. Nose black and wide, relatively short, with open nostrils and line between well defined. Lips black, thick, meeting each other in centre, completely hiding teeth. Upper lip covers lower on each side

with plenty of cushion, never so exaggerated as to hang too much below level of lower jaw.

Eyes: Preferably dark and matching. Moderate size, round, neither sunken or prominent, showing no white when looking straight forward; set relatively wide apart and on the same level as the stop.

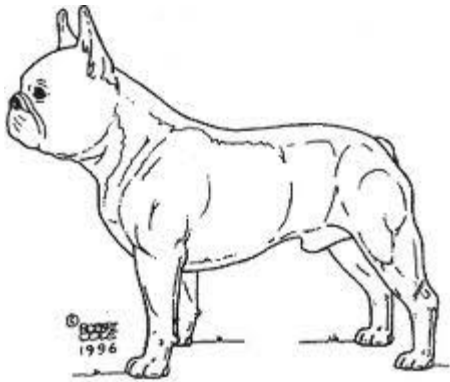

Ears: "Bat ears", of medium size, wide at base, rounded at top; set high, carried upright and parallel, a sufficient width of skull preventing them being too close together; skin soft and fine, orifice as seen from the front, showing entirely. The opening to the ear canal should be wide and open.

Mouth: Slightly undershot. Teeth sound and regular, but not visible when the mouth is closed. Tongue must not protrude.

Neck: Powerful, well-arched and thick, of moderate length.

Forequarters: Legs set wide apart, straight boned, strong, muscular and short

Body: Cobby, muscular and well rounded with deep, wide brisket and ribs well sprung.

Strong, gently roached back. Good cut up.

The body while broader at the shoulders should narrow slightly beyond the ribs to give definition to the relatively short, thick, strong, muscular loin.

Hindquarters: Legs strong, muscular and relatively longer than forelegs, with moderate angulation. Hocks well let down.

Feet: Small, compact and placed in continuation of line of leg, with absolutely sound pasterns. Hind feet rather longer than the fore-feet. Toes compact; well knuckled;

nails short, thick and preferably black.

Tail: Undocked, short, set low. Thick at root, tapering quickly towards tip, preferably straight and long enough to cover anus. Never curling over back no carried gaily.

Gait/Movement: Free and flowing. Soundness of movement of the utmost importance.

Coat: Texture fine, smooth, lustrous, short and close.

Colour: The only correct colours are: Brindle, pied or fawn.

(1) Brindle – colour pattern caused by a mixture of black hairs and fawn hairs. White markings permitted provided that brindle predominates. Eye rims, eyelashes and lips black.

(2) Fawn – clear, self-coloured fawn with or without a black mask. White markings permitted, provided that fawn predominates. Cream and red shades less desirable. Eye rims, eyelashes and lips black.

(3) Pied – Brindle pied: white predominates with brindle patches (the brindle as defined above). Fawn pied: white predominates with fawn patches. Whites are classified with peds for show purposes. In peds, eye rims, eyelashes and lips should preferably be black.

Any white in the above colours should be clear with no ticking or spots. All other colours highly undesirable, including solid black, black and white, black and tan, mouse, grey/blue, liver chocolate and all patterns of these colours.

Sizes: Ideal weight: Dogs 12.5 kgs (28 lbs), Bitches 11 kgs (24 lbs). Soundness not to be sacrificed to smallness.

Faults: Any departure from the foregoing points should be considered a fault and the seriousness with which the fault should be regarded should be in exact proportion to its degree and its effect upon the health and welfare of the dog.
